

Coeur d'Alene Cellars Wine Club Trip 2025

Gems of Southeast Europe

Pre and Post-Cruise Options:

There are a few different options for land packages before and after the cruise. Coeur d'Alene Cellars will be offering a half day, post-cruise visit in Mohacs, Hungary, after we disembark to visit European Coopers Barrel Company. We have done business with European Coopers for years and we will finally get to see where our barrels are made!
